Jamie will check - next President's meeting is next week - what are they looking for in terms of financial contributions that are not from ESS? - what do they need in terms of 'manpower'? - Ian thinks it's a good idea that KI students go, to build identification with our faculty - make sure that Planners are okay with ESS taking hold of event - What is happening at event? Mini-Unlimited (Skaidra)	<ul style="list-style-type: none"> - Skaidra met with Ray, creativity session has become a bit larger - would be half-day session for 40-60 kids in February for St Mary's kids on topic, a tour of campus, and a panel with KI students - it would be wise to have a team of 3 running it, rather than whole Kinnections committee; only need to use already existing work on creative brainstorming and reshaping it - Khoa, Jamie, Arielle, Alex, Ian, Natasha are interested in working on the project - will have a half-hour session next week
