KISSES		
Seminar	- #uglyholidaysweaters	
ESS	- O-week leader applications open!	
7 Year Plan	- It's up - Will promote it on Facebook, Twitter, emails	
QGM	- Friday 3-3:30 pm in the studio - Role, what you did this year, what you plan for next year - Feedback about how well KISS is meeting goals/purpose in the discussion - Feedback form for more specific information on improvements for next term - If we get more than 10 people, will break into smaller groups	
Academic Session	- Lots of people attended! - Only heard positive feedback - People liked that it was casual - First and second years asked for a session where people could learn how to put together a learning plan - doesn't necessarily need to be an event, could just publish material, but there is benefit to having an in-person session - Could publish the information we have, and if there is interest in a session hosting it - Shane can amalgamate documents and post in Facebook early December	- Natasha will send documents to Shane
Charity Gala	- Buy tickets! - Melanie will be there Wednesday from 9 till 1 - Need help with set-up 4-6 and clean-up 1-2	
Facebook	- Will rename existing group to Knowledge Integration (open to everyone) - Creating new group, KISS, for only current students - Archives and 1st year rep will go through every year to kick people out - Ian will make the new group - Ian and Patrick will moderate both groups	
C2C	- Early bird deadline December 15th - Last week of January in McGill
