  - o dissolving and rebuilding constitutions, solidifying the S in WESEF

- How to network and how to business cards for first years? Maybe during study session? Monica?? Could also put it on the 18<sup>th</sup> with the drop/add thing, or Deanna will post to FB with tips

- See how this session goes and might turn into a longer model in more high schools

### Event Ideas

- Katrien was brainstorming and had a long list of ideas, needs to get in contact with Karissa
- You can host things in your own cohort as well, or can try to do things within the entire community
- If board keeps getting erased, maybe brainstorm in a google doc?
