- Another date option for holiday potluck, Dec 4th in studio in the afternoon
 - o Most people want the mid-exam distress

WESEF

- Chloe will still be rep
- WESEF board will be divested from fossil fuels
- Chloe is still not technically a voting member of WESEF, until new constitution is put in because KISS isn't included

Fundraising

- Only 25 people went to Menchies, but better than nothing
- Probably do a food term this term to make up for lack of enthusiasm of Menchies

Spirit Wear

- Orders are submitted
- Did get number of tshirts

Finance

- Keep receipts and remember Sally or Matt need to sign also
- Make sure they are itemized

of the week

- #allblackblackfriday

KISS AGM

- Powerpoint in the google drive
- Find your slide and fill in what you've done and what you're going to do
- What is the best way to get feedback from this session?
 - o Online vs real life?
 - o Paper for people who are there, google for people who are not?
 - o Not really polling questions
 - o Do specific positions have questions they want to ask, ex events?
 - o Paper probably best option, because people who come are the ones who care
 - Don't want to preach to choir
 - o Better to do the survey after the presentation
- Any questions from your position that you want to ask, tell Sally
- Probably 2 minutes for your slide
- Have your slides done before the end of next week

Deanna

- Greenhouse coordinator thinks KI students should be interconnected with Greenhouse more
 - o Will forward things to Dana
 - o Mixer between KI and Greenhouse students
 - o Maybe February (first week) before a study sessions
 - **Study sessions will be at the same time next term**
 - Will be a casual mixer to learn about what Greenhouse was
- Dec 3, 4-5:30 St. Paul's will have an info session about Greenhouse, free food
 - o Good opportunity to network with people

- Also got posters for KI Studio
