

Nov 27, KISS Meeting Minutes

Regrets: Deanna, Josh

Check in: If you were in a horror movie, how would you die?

- James: dismembered one limb at a time
- Janna: be the killer, look like I'm dead but not
- Vanessa: I would never die, I would be the one person who lives
- Chloe: First person who disappears and you just never know what happened to me
- Katrien: Horribly lost, or get into a fight with a lot of zombies for minimal reasons
- Karissa: I never tie my shoes, so I would be running away and trip and get killed by what was chasing me
- Jordan: Shoot myself by accident and die from infection
- Aubrey: Read aloud Latin and unleash a curse on myself and die
- Kaitlyn: Chainsaw in half or something
- Meagan: Run into the basement and get killed
- Shania: Running, trip, get caught
- Matt: I would be making comments about our intelligence then get hit by spikes in the wall
- Dana: Inhabited by a ghost, and the ghost would kill me, but the ghost would be me
- Monica: fall to notice obvious trap and die
- Jasmine: Shower stab
- Katrina: Self-inflicted somehow, tripping, driving a car and crashing, something
- Sally: Random blade comes out of nowhere and chops my head off
- Samir: Heroic move to save everyone, but then everyone dies anyway
