Regrets: N/A

### ESS Update:

- Environment networking alumni social thing, someday at lunch
- Candy grams

### Finance Update:

- Finances are out, 101 students for \$404
- Voting on the semesters budget – all in favour
- Quarter zips are in

### KISS Events Update:

- Karissa will be setting it up
- Streaming from Karissa or Sally's laptop? Will figure out then
- Academic info session will go into planning after C2C, will be before or after reading week

### Alumni Seminar:

- Tomorrow, #KISSswag
- Social at bomber after with free food
- Encourage people to attend

### Election Update:

- Sally met with the Feds voting guy, told her that all the info is online
- Three different voting systems (online)
  - o We're leaning towards ranking system
  - o People rank position they want, but can't do that in the online form, so would have to manually write down the ranks people voted for
    - We will do this
- Email them two weeks in advance for extended voting period
- Potentially people give speeches on March 11, voting goes from then until March 17, announce on March 18<sup>th</sup> who wins
  - o If this is happening, need to find out who is running by end of February
- Order of events:
  - o Info night where we tell people what we do
  - o Two weeks for nominations
  - o Week of campaigning

- Week of voting
- Sally will come up with a better plan and bring it to the next meeting to vote on

# of the week:

- #profday
- KISSintel will start meeting beginning of Feb

Fundraising

- Net money \$125 or something from bake sale
