Events Form:

- There's a form from FEDS that you need to fill out for every event
- If you want the studio, need to talk to Kim and fill out the form
- This form is not just social events, also academic ones
- Need to fill it out for liability reasons, also can indicate if you need CRT or anything

Proposed Election Timeline:

- Ideally have candidates elected before last seminar (April 1)
- March 18<sup>th</sup> would be exec appreciation and new people would be announced
  - o Do we want elections closed on the 18<sup>th</sup>, or close them the Friday, Saturday, Sunday, or Monday before?

- If they're closed a couple days early, then organizing based on ranked preferences will be made easier
  - \*\*\*Ideal voting period Friday 11 – Monday 14\*\*\*
- When should nominations be in by? Last week there was two, this time only one week
  - Open on March 4<sup>th</sup> and close on the 11<sup>th</sup> (this might change depending on when they need a final list of names for elections)
- Information night:
  - March 3<sup>rd</sup>, for an hour after KISS meeting have an information session
  - Sally will look into getting snack for this
- Exec appreciation is going to be after seminar on the 18<sup>th</sup> instead of during the meeting on the 17<sup>th</sup>
