Nominations Open

- Form is online
 - o That's all that's going to be available, not emailing
 - o Linked will be posted to the Current KISS students page on Facebook, in the KISS email, and on the KISS website
 - o Will be open until March 10th, 11:59pm
- Max number of three positions that you can nominate someone for
- For online elections, can't have co-running
 - o Could have one person run and then they could appoint someone

- Can also make it clear during the platform that two people are running together but only one person's name will be on the selection list
- Choosing a method now: you can co-run, and you must campaign with that person if you are running. Only one person's name will be on the ballot though. If you run together, you stay together (if one person runs for something else and gets that position, then neither person gets the position they ran for together).

KISS Constitution Changes

- Need to change things to say we did online elections
- Also do we want to change the first year rep election?
 - Change to the first Friday after camping, or the last Friday in September (whichever comes first)
 - We don't have enough people here to vote, so we need to do that another meeting
- AGM is happening on March 18th after seminar, once Ed is done talking

Transition Document

- Need to be done by March 17
- Previous ones are on the drive, can go through and add/change things as needed
- Give advice, copy and paste is okay, but make sure you change contact information to yourself
- They're being submitted to ESS this year as well, so be mindful of what you're writing in it
